

Forest Bluff School Health Requirements 2022-23

Documents must be sent to the School Office by their listed due dates. These forms are required by the State of Illinois and FBS. Forms can also be found on our school website under the 'FBS Families' tab.

Requirement	New Students	Entering Illinois school for the first time	Grades/Ages Required to Submit Form	Due Date:
Child Health Examination	X	X	Grades PK, K, 6 (Ages 1, 2, 3, 4, 5, 11 on the first day of the school year)	Aug. 15, 2022
Dental Examination			Grades K, 2, 6 (Ages 5, 7, 11 on the first day of the school year)	May 1, 2023
Eye Examination	X	X	Grades K (Age 5 on the first day of the school year)	May 1, 2023

State of Illinois Requirements for Children PreK-Grade 8 (See [IDPH Vaccine Requirements](#)):

- All children in PreK-Grade 8 (ages 1-13) must provide proof of immunization against polio, measles, mumps, rubella, varicella/chickenpox, hepatitis B, and DTP/DTaP/Td.
- All children in PreK (ages 1-4) must provide proof of immunization against Hib & pneumococcal.
- All children in Grades 6-8 (ages 11-13) must provide proof of immunization against meningococcal & Tdap.

Note: If you would like your child to be exempt from any one of the state required vaccines please complete a [Certificate of Religious Exemption](#), with a licensed prescribers signature, detailing an explanation of the religious grounds for exemption. This form is due with the Child Health Examination Form on August 15, 2022.

Students with Allergies, Medical Conditions, and/or Medications

(Due before the student's first day of school)

If your child has a new or preexisting **diagnosed allergy requiring medication** we must have an Allergy Action Plan on file. If your child's Action Plan has not been updated within the last two years contact your provider to receive a new one and send a copy to the School Office.

If your child (at any age) has a **new medical diagnosis, new medication(s), or a newly developed allergy since last school year** please provide documentation from your provider or a Child Health Examination Form (found on the school website) detailing pertinent information about their diagnosis.

If your child requires an **over-the-counter or prescription medication** that must be taken during school hours, please submit a Medication Authorization Form; this must be signed by their provider.
